**DOCKET NO.:  
98-00880**

---

**ORDER APPROVING PETITION OF ON-SITE SYSTEMS, INC. TO AMEND ITS  
CERTIFICATE OF CONVENIENCE AND NECESSITY FOR EXPANSION OF  
SERVICE AREA**

---

On January 19, 1999, this matter came before the Tennessee Regulatory Authority (the "Authority") for a decision on the Petition of On-Site Systems, Inc. (hereafter the "Company") to amend its Certificate of Convenience and Necessity for expansion of its service area to include a portion of Cannon County known as the Tucker Property near Auburntown, Tennessee.

**I. Background**

On April 4, 1994, the Company received a Certificate of Convenience and Necessity in Docket No. 93-09040 from the Tennessee Public Service Commission. Since that time, through various other dockets, the Company has been granted approval to expand into other areas of the state, as necessary. The Company's current tariff provides for a monthly rate of \$8.49 for sewer service to those it serves.

## **II. Petition to Expand Service Territory**

On December 21, 1998, the Company filed its Petition seeking to expand its service territory to include a portion of Cannon County known as the Tucker Property near Auburntown, Tennessee. The County Executive of Cannon County has advised that it has no plans to provide sewer service within Cannon County in the near future. See December 10, 1998, letter from Dale Bush, attached as Exhibit A.

At its regularly scheduled Authority Conference held on January 19, 1999, the Authority considered the Petition and pertinent portions of the record and unanimously approved the same. Pursuant to Tenn. Code Ann. § 65-4-203, the Authority found the Petition to be in the public interest due to the reasonable needs of those to be served and the decision of the County Executive of Cannon County to decline to serve those customers. The Authority further found the Petition to be consistent with other requests by the Company for service area expansions.

### **IT IS THEREFORE ORDERED THAT:**

1. The Petition of On-Site Systems, Inc. to amend its Certificate of Convenience and Necessity to expand its service territory to include a portion of Cannon County known as the Tucker Property near Auburntown, Tennessee is approved;
2. Any party aggrieved with the Authority's decision in this matter may file a Petition for Reconsideration with the Authority within ten (10) days from and after the date of this Order;  
and

3. Any party aggrieved with the Authority's decision in this matter has the right of judicial review by filing a Petition for Review in the Tennessee Court of Appeals, Middle Section, within sixty (60) days from and after the date of this Order.
